BOOM-TARA-RA,
BOOM-TER-AY.
Comrades, Comrades Ever Since We Were Boys—Sharing Each Other's Sorrows, Sharing Each Other's Joys.
And We Still Go Marching On.

The hottest and most stubbornly contested Municipal election that was ever held in the Cloverport—went on here Monday.

There were two straight tickets in the field, namely, the Democratic ticket with Charles E. Lightfoot, for Mayor, at the head, and the Republican ticket, under the old chieftaincy guide of "Citizens"—as if Democrats were not citizens, too—led by R. N. Miller for Mayor.

From the start to the finish there was never much difference between the two leading candidates, though at no time was Miller in the lead, and the polls closed with a majority of thirteen for Lightfoot.

With only one exception the Democratic Councilmen were elected by majorities ranging from fifty to more than a hundred. R. B. Pierce on the opposition ticket, was elected over Henry Solberg, the regular Democratic nominee, though Pierce has always been a Democrat and claims to be one yet. Just to give tone to their "Citizens" ticket the Republicans, for councilmen, put on three Democrats and one Republican and John T. Castle, a Republican, was the only man that showed wisdom enough to withdraw his name on the morning of the election and not be made a tool of.

James T. Skillman and Alfred Oates were the defeated candidates for the council on the "Citizens" ticket. The Republicans seemed only to be instructed to vote for Miller and after that there was hardly any of them known who vote for, hence the large Democratic majorities.

After the polls closed and it was positively known that Lightfoot was elected, there was great rejoicing, music, cheering and hand-shaking. The Democracy of Cloverport had achieved a victory over a combination of wealth and power that she never had battled with before, and it is the truth to say that the people had triumphed.

On the second Sunday, a number of young ladies and gentlemen met at the Methodist church South, to organize a Sabbath School. Mr. Joe Harrington was chosen superintendent; Mr. Sandy Trout, secretary; Miss Lila Butler, treasurer. The children are the life of the Sabbath School. It is through the children that a Sunday School gets its life and activity. But children alone won't do. It takes older and experienced heads to give it strength and dignity. There is fine material in this place for a good school if one would be properly managed. A good Sabbath School is a compliment and a credit to any town, and it is a shame that this place should be so poor. The material is here. Now go to work.
